## Community Involvement Request

Linc Worldwide is on a mission to provide neglected communities with the support needed to alleviate hardships, promote well-being, and facilitate growth, giving them the chance to not only survive, but to truly live, love, and thrive. We aim to partner with individuals, organizations & communities around the world to provide neglected children with access to basic needs such as education, food, water, healthcare, and safety. All applications will be reviewed on October 1st
