MISSION

We are building a Catholic primary school in Awasi, Kenya. The school will aim to provide orphaned & impoverished children with a strong education, clean water, healthy meals, school supplies, & access to healthcare. Giving them a chance to not only survive, but to truly live, love and thrive! We are currently in the final stages of construction at the school! Funds raised from this event will go towards finishing touches in our building & aid in enrollment of our first students!

A SPECIAL THANK YOU!

Thank you to all of our volunteers and sponsors who made this day possible! Special thanks to Faithful Feet for providing timing services ,as well as, StreamlineCLE for designing and printing our event shirts!
